About Me

Computer Science Engineer with a passion for developing innovative solutions to complex problems. Seeking an entry-level role to contribute to impactful projects, apply and develop my skills, solve challenging problems, and grow within a dynamic organization while continuously learning new technologies.

Professional Experience

Web Developer Intern | Cognifyz Technologies |
July 2024 - August 2024

Key responsibilities:

- Developed clean, efficient, and maintainable web applications using various tools and frameworks.
- Enhanced technical skills by learning new technologies and adopting best coding practices.

Projects

Crash Garage :

<https://craazycrash.github.io/crashgarage/>

A bold and sleek single-page site for a vintage motorcycle collection. Highlights include a custom hero section, smooth scroll navigation, and personal branding.

Dreamy Bakes :

<https://craazycrash.github.io/dreamybakes/>

Developed a visually rich multi-page website for a luxury cake shop with smooth navigation and engaging product sections.
